## Special Religious Education

Dear Parent/Carer

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents.

The school website <https://yass-h.schools.nsw.gov.au/> provides information on these options to support parent/carer choice.

A parent/carer may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent/carer has requested a change in writing.

For more information about Special Religious Education (SRE) including the list of approved providers, please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

At Yass High School students will either participate in Combined Christian SRE delivered by Yass combined churches under the approved curriculum provider of Anglican Diocese of Sydney or in alternative meaningful activities supervised by Yass High School staff.

Yours sincerely

Mrs Linda Langton  
Principal
