

YASS HIGH SCHOOL

SUBJECT PREFERENCES

Year 11, 2021

Key considerations for subject preferences:

- Abilities
 - choose subjects in which you are capable of doing well
- Interests
 - choose subjects which interest you
- Motivation
 - choose subject areas which you want to study
- Career aspirations and needs
 - be realistic about your career choices and about your subject choices

In listing a subject on this form you are indicating that you will complete the course requirements, including work placement, have appropriate equipment and participate in required practical lessons and pay relevant fees.

Select your set of subjects carefully

Information

- Students need to study at least 12 Units in the Preliminary Year Program (Year 11)
- English is the only compulsory course
- HSC and Australian Tertiary Admissions Rank (ATAR) Pathway students need to do at least three (3) subjects (6 units) from the Board Developed Courses.
- Only one VET course can be counted towards your ATAR (by sitting the HSC exam for the course)
- Board Endorsed subjects are not externally examined and do not count towards an ATAR
- Students must complete the subject preference sheet

Instructions

1. Decide which pathway you wish to undertake: HSC with ATAR or HSC without an ATAR
2. Use the loose leaf sheets as a guide for your choice of subjects
3. Select the English course you wish to undertake
4. Write down in priority order the subjects in which you wish to be enrolled
5. Bring your completed subject preferences form to your subject selection interview
6. Return the signed subject selection document to the Curriculum Coordinator/Careers Adviser (Ms Wykes) or the Front Office

The school will use the priority order of subjects and the information regarding completing the HSC and obtaining an ATAR to provide the set of subjects which best meet the requirements of the students in this year.

If a student selects subjects which result in them having fewer than 12 units from the subjects that will run at Yass High School in Year 11 for 2020, the student will be interviewed to select alternative subjects.
