

YASS HIGH SCHOOL

We value respect, responsibility, safety and learning.

Principal: Linda Langton

Deputy Principals: Andrew Facer & Ruth Riach

From the Deputy Principal

As we come to the end of a challenging term for all schools across the state we would like to thank the Yass High Community for working so well with our school as we navigated changes due to COVID smart procedures. Our students and staff have been resilient and flexible with their learning, and have been looking out for each other on a daily basis

Early next term we will have the YONDR team return to Yass High School as we refocus on the Mobile Phone policy at Yass High School. We appreciate the support we have from families in ensuring that school is phone-free, with the benefits this brings to our students' social and emotional wellbeing, as well as enabling students to focus on their learning during the school day.

We wish you a safe holiday break and look forward to seeing students back at school on Wednesday 27th April.

Captains Corner

Mr Hulme is our Yass High School Ground Assistant and Farmhand. He plays a vital role in the operations and smooth running of our school. We are very grateful to have him keep the school in good shape and looking well maintained.

One of his recent endeavors has been cleaning up and removing the old concrete and tree stumps from the Ag Plot chicken coop to make it a safer area to work in.

This week senior student leaders met with their house groups and facilitated discussions around respectful use of school facilities. This was a positive conversation for both the leaders and the younger students who had the opportunity to voice their concerns. Remember that the school Captains are always available to listen to any concerns or just to have a chat.

Yass High School boys create their own piece of history

Cooper Lees and Brodie Doyle have created history with their selection in the South Coast 15yrs AFL team after trials were held in Bateman's Bay last month. The boys will play in the NSWCHS tournament in Wollongong early next term. Congratulations boys.

South Coast Open Touch Representatives

Taylor and Brodie Doyle have gained selection in the Open Boys Touch team after trialling very well in Goulburn last week. The boys will play in the NSWCHS championships in Wagga later next term. This is the 4th South Coast team Brodie has made already this year. A truly outstanding effort. Well done to both boys.

School Cross Country Results

With a beautiful autumn day as the back drop for our Cross Country carnival our students embraced the nice weather to actively participate to gain points for their house.

Mitchell Reynish was the first runner home followed closely by Lachlan Denaro, Brodie Doyle, Noah Collins and Will Downey. Makayla Langfield was the first girl home followed by Lyla Kohonen, Lara McClelland and Amelia Doherty.

Sturt were the champion house with 244 points, followed by Hume on 199, Oxley on 188 and Hovell on 151. Thank you to everyone for a wonderful afternoon.

Visual Arts and Photography at Yass show 2022

Yass High had a very successful show with several students winning and placing across a range of artforms. We had junior students from Year 7 and 8 enter drawings and mixed media artworks that showed their talents for combining colours, pattern and texture.

Special mentions to Charlotte Dowrick taking first prize, Frankie Gillespie in second place, Isabella Witt taking third and Malitda Arentz taking a highly commended award.

In the Year 9 and 10 works on paper section special mentions go to Jyelee Bogan who took out first and third place and Imogen Bradley taking out second place. Both students did stunningly detailed drawings.

Yass High also had much success in the Senior Art section with students taking out 1st, 2nd and 3rd in the Painting or graphics in Senior Years. Well done to Lillian Wullaert, Charlotte McPherson and Gemma Phillips and a special mention to Sloan Maciaczyk for his highly commended award.

The students also had great success within the Photographic section including a highly commended to Senior student Liam Vaughan and Junior student Janika Veal. Both students entered beautiful landscape photographs that demonstrated their excellent compositional skills and ability to capture light.

Photography Donation

The Photography department at Yass High were delighted to receive a donated digital SLR camera and tripod from Yass local Peter Gibbs. Photography is a popular subject with the senior years at the school and the camera will be put to good use with students focusing on creating a portfolio of images for Term 1. The Photography department is always keen to accept any donations including tripods, cameras or flashes.

Vouch for Lismore Flood Fundraiser

A huge thank you to both our school and wider community for their generous support of our recent 'Vouch for Lismore' fundraiser. On Friday 1st April a number of the Year 10 Community class went down the street to sell raffle tickets for this very worthwhile project.

The girls braved the cold windy day to help raise more funds which will be sent to the principals of the three public high schools in Lismore to be distributed to families who have lost so much in the recent unprecedented floods.

Again, another huge thank you to Chris and Charlie Beck for kindly donated a tonne of wood for our raffle. Thank you also to the staff and students who donated Easter Eggs for our other prizes and to the Year 11 and 12 Hospitality classes who baked cupcakes for us to sell.

A very special mention to Mrs Halley-Barberis and Hailee Southwell whose continual support of our fundraising activities is exceptional, and we could not have done it without your help.

We were able to raise over \$2000 with our 2 fundraising days so thank you so much for everyone's support, it is very much appreciated.

Raffle Winners

1st Prize – 1 tonne of wood donated by Chris Beck – Perry Kemp

2nd, 3rd and 4th prize – Easter Baskets Joe Hardy, Lisa Pearson and Margaret Holgate

Thank you to everyone that bought a ticket.
